Photographers' Association of Middle Atlantic States to Convene on Tuesday.

SESSION AT THE WILLARD

Seven Hundred Delegates Expected from Five States and District. Banquet Is Planned.

With an address of welcome by Speaker Champ Clark, of the House of Representatives, the first annual convention of the Photographers' Association of the Middle Atlantic States will be convened at the New Willard Tuesday morning at 10 o'clock. Seven hundred delegates are expected to attend.

The membership of the association comprises the photographers of five States—Pennsylvania, Maryland, Delaware, New Jersey and West Virginia, and the District. Arrangements for the convention have been perfected by a committee of local photographers, composed of W. H. Towles, Grant Lee, G. W. Harris, J. F. Seabrook, C. V. Buck, Fred Schuts, I. Boyce and D. B. Edmonston.

The development of photography, its commercial, scientific and artistic use, will be discussed during the three days of the convention. The entire tenth floor of the Willard has been reserved for the use of the delegates. The pictures will be exhibited in the large ballroom, while the business meetings will be held in the small ballroom.

Banquet Wednesday Night.

The program of the convention includes addresses by well known Americans who are considered authorities on the subject of photography in its various branches, an audience with President Wilson on Wednesday morning, a banquet at the Raleigh on Wednesday night, and a sightseeing tour of Washington on Thursday.

Officers of the association are W. H. Towles, president; John F. Sherman, of New York, secretary, and W. I. Goldman, of Reading, Pa., treasurer. Practically the entire season Tuesday morning will be taken up with the address of welcome, annual address of the president, report of the officers, and appointment of committees. William H. Rau, of Philadelphia, will respond to the address of welcome. The afternoon and evening session will comprise three lectures and a demonstration of negative making by Harry Schaeffer, of Altoona, Pa.

One of the most important and interesting of these lectures will be one by Dr. C. E. Kenneth Mees, of the Eastman Kodak Company, on the "History of the Development of Color Photography from its beginning to the Discovery of Kodachrome."

The banquet, given at the Raleigh on Wednesday night at 7 o'clock has been arranged by a committee composed of G. E. S. Williams, C. O. Towles, and A. B. Cornish, together with all the traveling men of the photographic business with headquarters in Washington.

John Dentsche, 21, of Bowie, Md., whose right leg was cut off at the Roslyn freight yards yesterday, died in Georgetown University Hospital nine hours after he was injured. Dentsche was employed as a brakeman.

His leg was cut off at the knee about 5 o'clock yesterday morning while he was coupling two freight cars. He was taken to the hospital in an automobile police patrol and died about 2 o'clock. The body was turned over to Maryland authorities for an inquest.

WEATHER CONDITIONS.

For the District of Columbia—Fair, colder Thursday. Friday, fair, warmer; diminishing northwest winds; becoming variable by Friday. The storm that was over West Virginia Tuesday night was attended by northeast to northwest gales along the entire Atlantic coast as far south as Northern Florida.

FORMER HIGH SCHOOL CADETS MEET TONIGHT

Several Military Companies to Be Formed After Interest Has Been Thoroughly Aroused.

A mass meeting of former high school cadets of Washington will be held tonight under auspices of the Ex-High School Cadet Association in the auditorium of Business High School, Ninth and Rhode Island avenue northwest.

The organization expects to form several military companies in the near future, and will apply to the Board of Education for the use of cadet equipment and the drill halls in the evening. A rifle club is also being formed, and application will be made for membership with the National Association.

At the meeting tonight a lecture will be delivered on "Twentieth Century Methods" by an officer of the Engineer Corps, United States Army. Other speakers of the evening will be Maj. McCathran and Mr. Kramer, assistant superintendent of public schools. Several musical numbers will be given by the Inter-High School Orchestra, directed by Dora Waiter.

UNITED METHODISM IS URGED BY BANQUETERS

Social Union Dinner Speakers Plead for Merger to Aid in Developing Suburban Churches.

The annual banquet of the Methodist Social Union was held at Metropolitan M. E. Church last night. In all there were 200 persons at the dinner, which was provided by the Bible Class of the church.

Dr. D. Olin Leach, president, introduced the following speakers: Rev. J. S. Montgomery, D. D.; Rev. G. Ellis Williams, of Petworth M. E. Church; Rev. G. A. Luttrell, of Lincoln Road M. E. Church; Rev. Charles A. Shreve, of Bruen M. E. Church, and Rev. C. E. Wise, of Iowa Avenue M. E. Church.

It was made clear that in the last ten years Methodism has gained in these new churches 862 members, 1225 Sunday School scholars and \$91,000 in value of church property, of which amount \$50,000 has been paid.

Rev. W. L. McDowell, presiding elder, made a strong plea for a united Methodism to face the present opportunity in suburban work.

Mrs. D. B. Street claimed for the women of Methodism the vision that had given to Methodism the exploits which had been so largely lauded in this meeting. Under the topic of "Things Our Church Has Yet to Do in Washington," she pleaded for a home for the resident bishop and a union of Methodism of all branches.

The bill reported by Senator Bankhead, of Alabama, has been before the Senate for two days. Senators Smoot, Gallinger and Weeks opposed the measure as "paternalistic."
